About Our Products

Richell USA's pet products are all about quality, style and function. Each product is made to provide a comfortable solution to pet's needs.

Quality

Richell USA's pet products are designed by Richell Corporation in Japan. Each piece is crafted with careful attention to details, making for the perfect addition to your home.

Style

Richell USA's pet products are also made to complement home interiors, like furniture. Our products not only function well but look great too - in any room setting.

Function

Richell USA's pet products are designed with a specific purpose in mind. By combining elements of safety, comfort, and mobility, our products provide perfect solutions for busy families with pets.

- 60015 Ivory / Light Beige
- 60018 Black / Light Beige

Item size: 22 x 22.5 x 1"
(Folded size) 11.5 x 22.5 x 1.5"
Item weight: 1.4 lbs.

How to potty-train your pet using PAW TRAX® Mesh Training Tray:

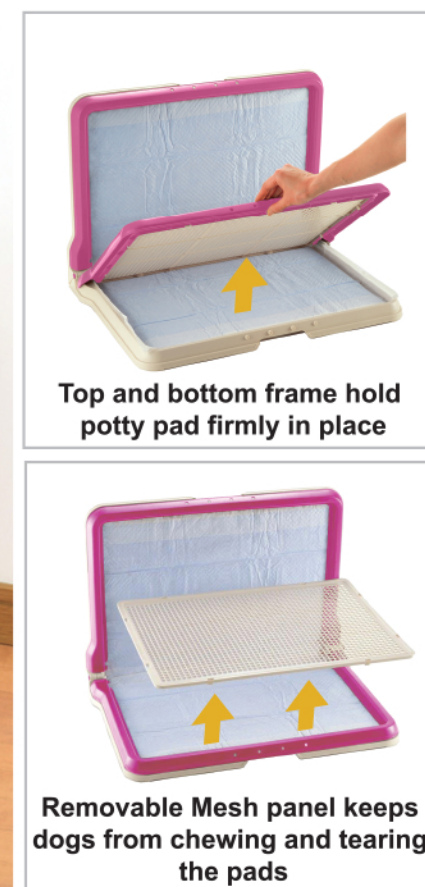

*Holds potty pads 21 x 21 inches or larger

L-shape design protects your wall & floor

Includes non-skid rubber feet to protect floor and prevent slipping

Top and bottom frame hold potty pad firmly in place

Removable Mesh panel keeps dogs from chewing and tearing the pads

PAW TRAX® High Wall Potty Pad Tray

Marking is a natural behavior for boy dogs. The PAW TRAX High Wall Potty Pad Tray is an excellent tool for housetraining puppies and preventing marking messes. The tray ensures the potty pad is always right where it should be, and the L-shape design protects your wall and floor no matter how your pup chooses to go. The removable mesh panel on the bottom frame keeps dogs from chewing and tearing the pads. Features a foldable design for easy storage and portability for when you are on the go. Made of durable and easy to clean plastic. Includes non-skid rubber feet and perfectly fits PAW TRAX® Doggy Pads (Pad size: 17.7 x 23.6").

- 60032 Pink
- Item size: 24.5 x 17.5 x 17.5" Item weight: 4.9 lbs.

Keep dogs from chewing and tearing the pads

*Holds PAW TRAX® Doggy Pads (Pad size: 17.7 x 23.6")

Detachable guard around the perimeter to prevent urine splashing outside the tray

Removable Mesh panel keeps dogs from chewing and tearing the pads

PAW TRAX® Splash Free Potty Pad Tray

PAW TRAX Splash Free Potty Pad Tray is an excellent tool for housetraining puppies and preventing urine splash. The detachable perimeter guard and bottom tray protect your walls and floors from messes and keep puppies inside the tray to prevent them from missing the potty area. When they are mature enough, you can remove the guard and use as a simple potty pad tray. The tray ensures the potty pad is always right where it should be and allows easy potty pad replacement. The removable mesh panel keeps dogs from chewing and tearing the pads. Made of durable and easy to clean plastic. Includes non-skid rubber feet.

New

PAW TRAX® Doggy Pads

One of the must haves for your pet's everyday life! PAW TRAX® Doggy Pads are designed to withstand moisture, dry quickly, control odor and wetness. Uniquely designed four-layer pad is extremely absorbent and durable;

- The quilted pad surface dries quickly and is designed to keep liquid from spreading on contact
- The second layer consists of an absorbent sheet that blocks excess moisture and keeps it from resurfacing to the top layer
- The third layer includes an absorbent material that works as a gel to control pet odor
- The final layer is a plastic sheet that works to protect floor surfaces from any kind of leakage

- 4 Protective layer provides extra absorbent protection!
- 5 Protective liner prevents leaking!

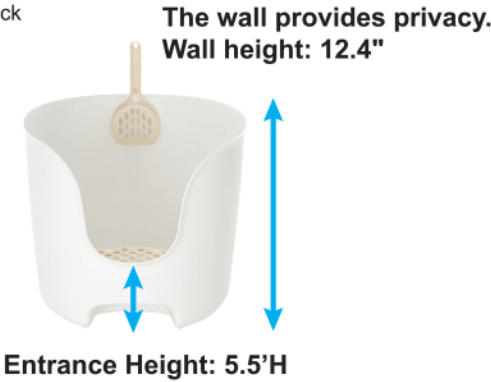

PAW TRAX® High Wall Cat Litter Box

Richell's PAW TRAX High Wall Cat Litter Box keeps litter and spray inside, where it belongs. The surrounded high wall is designed to prevent spills and litter scatter. Plus, the Anti-Tracking Grate Step helps to remove litter from paws as your cat comes and goes and keeps litter off the floor. From kittens to senior cats, the top opening gives them quick and easy access, while the wall provides privacy to do their business. A bottom recessed handle allows you to lift the litter box easily for cleaning and relocating. A scoop is included and can be hung on a hook inside the Litter Box for convenient storage. The sleek shape design was created instead of an unwanted traditional litter box look.

New

- 60001 Salmon Pink
 - 60002 White
 - 60021 White & Black
- Item size: 19.7 x 16.1 x 12.4" Item weight: 2.2 lbs.

PAW TRAX® Top Entry Cat Litter Box

Cats love both privacy and security. Richell's PAW TRAX Top Entry Cat Litter Box provides your cat the perfect private space to do their business. It's also ideal for cats that like to spray and/or dig. The top entry design was created to keep litter inside and cuts down on cleaning time for you. The filter lid helps to trap any spilled litter and keep it off the floor. Multiple holes on the lid removes the litter from paws as your cat jumps out. When it comes time to clean, just lift the filter lid with one hand. A scoop is included and can be hung on a hook inside the litter box for convenient storage. Keep your cat happy and your floor clean.

New

- 60004 Salmon Pink
 - 60005 White
- Item size: 20.1 x 15.7 x 15" Item weight: 3.1 lbs.

PAW TRAX® Rimmed Cat Litter Pan

PAW TRAX Rimmed Cat Litter Pan offers a high shield to prevent litter scatter, and to provide better privacy for your cat. The wide entrance helps cats of all sizes quick and easy access. And the top opening design is perfect for cats who are difficult or uncomfortable using fully enclosed litter boxes. Made of durable plastic makes this pan extremely easy to clean. A bottom recessed handle allows you to lift the litter pan easily for cleaning and relocating. A scoop is included and can be hung on a hook inside the litter pan for convenient storage. The sleek shape design was created instead of an unwanted traditional litter pan look.

New

- 60010 Salmon Pink
 - 60011 White
- Item size: 18.5 x 14.2 x 9.6" Item weight: 1.8 lbs.

PAW TRAX® Top Open Cat Litter Pan

PAW TRAX Top Open Cat Litter Pan is ideal for cats who are difficult or uncomfortable using fully enclosed litter boxes. The top opening gives cats of all sizes quick and easy access. The top concave shield is to prevent litter scatter. Made of durable plastic makes it extremely easy to clean. A bottom recessed handle allows you to lift the litter pan easily for cleaning and relocating. Included is a scoop that can be hung on a hook inside the litter pan for convenient storage. The sleek shape design was created instead of an unwanted traditional litter box look.

- 60007 Salmon Pink
 - 60008 White
- Item size: 18.5 x 14.2 x 4.7" Item weight: 1.4 lbs.

Full covered hood provides the perfect private space and prevents litter scatter

PAW TRAX® Dome Hooded Cat Litter Box

It is a natural instinct for cats to dig in their litter. This fully covered & dome shaped hood prevents litter scatter and provides the perfect private space for you cat to do their business. The entrance can be widened by opening Scoop Cover for easy & quick clean-up. Detachable hood makes changing the litter and cleaning up easy. A bottom recessed handle allows you to lift the litter box for cleaning and relocating. Made of durable, easy to clean, plastic that is built to last. A scoop is included and can be tucked away on the top of hood for convenient storage.

Deluxe Freestanding Mesh Pet Gate

The Deluxe Freestanding has a new elegant look! Deluxe Freestanding Mesh Pet Gate is finished in a rich bronze color to add a luxurious look to your home! This wooden gate with elaborate metal screen has the same functions as the Deluxe Freestanding. There is a specially designed walk-thru door that opens in both directions and stays open at 90-degrees to allow you to move freely from room to room.

■ 94912 Antique Bronze
Item size: 52.2-69.1 x 27 x 36.2" Width of door: 19.5" Item weight: 35.7 lbs.
For dogs 8.8 - 88 lbs.

Registered under U.S. Patent Nos. 7,568,449, No. 7,739,983 and No. 7,954,456.

Wide Premium Plus Pet Gate Mini

Richell's Wide Premium Plus Pet Gate Mini fits doorway and hallway openings from 55" to 72" wide. Freestanding design allows for easy placement anywhere in the home, anytime you need it. The flexible side panels can be adjusted in 10 degree increments to allow more options for use. A walk-thru door locks at the top and bottom for extra security. And the locking system is designed to lock/unlock easily with one hand. Includes the rubber feet to protect floor surfaces and prevent sliding. Wooden frame complements any home décor.

□ 94949 White ■ 94950 Black

Item size: 55-72 x 16-20.5 x 24" Width of door: 16" Item weight: 11.5 lbs.
For small dogs 6.6 to 17.6 lbs.

Registered under U.S Patent Nos. 7,739,983 and 7,954,456.

Premium Plus Freestanding Pet Gate

Richell's Premium Plus Freestanding Gate is an enhanced version of our freestanding gates. The Premium Plus can be adjusted by its flexible side panels that adjust in 10- degree increments to allow more options for use. A walk-thru door on the front panel is lockable with upper and lower locking system and opens in both directions. Available in four colors: Autumn Matte, Black, Origami White and Cherry Brown.

94193 Autumn Matte 94956 Black 94957 Origami White 94958 Cherry Brown
Item size: 34-63 x 20.5-26 x 32" Item weight: 16.7 lbs. Width of door: 20.5" For dogs 6.6 - 33 lbs.

Wooden Premium Plus Pet Gate

Expertly crafted with a beautiful natural wood design, the Wooden Premium Plus Freestanding Pet Gate is entirely made of wood and fits doorway and hallway openings from 33.5" to 63" wide! In addition, the specially designed walk-thru door opens in both directions and includes an upper/lower locking system that allows free movement and extra security! And to top it all off, the specially designed side panels adjust in increments of 10° to allow more options for use in your home! Simply adjust the gate to fit your personal needs.

Registered under U.S Patent Nos. 7,739,983 and 7,954,456.

Wide Premium Plus Freestanding Pet Gate

Richell's Wide Premium Plus Freestanding Gate is designed to fit wider openings up to 84" wide. The flexible side panels can be adjusted in 10-degree increments to allow more options for use. A walk-thru door on the front panel is lockable with upper and lower locking system and opens in both directions.

Registered under U.S Patent Nos. 7,739,983 and 7,954,456.

Three Pet Products in One!
Converts quickly and easily from a room divider – a free standing pet gate – to a pet pen.

Pet Sitter Freestanding Gate Plus

The Pet Sitter Freestanding Gate Plus can be used in two ways, as a freestanding or a tension mount gate. With its additional freestanding feature, this gate can be more adaptable to your needs. Also, in the same fashion as the original Pet Sitter Gate, the height is low enough to step over and the weight is light enough for relocation. It remains friendly to your smaller pets with a built-in lockable door, too!

- 94961 Autumn Matte**
Item size: (Tension mount gate) 39.8-61.8 x 1.8 x 20.9"
(Freestanding gate) 39.8-59.8 x 18.5 x 20.9"
Pet door opening: 9.8 x 13.8"
Item weight: (Tension mount gate) 11.4 lbs.
(Freestanding gate) 16.5 lbs.
For dogs 6.6 - 17.6 lbs.

Includes walk-through door for smaller pets

Registered under U.S. Patent Nos. 7,568,449, No. 7,739,983, No. 7,954,456 and No. 8,230,816.

Expandable Walk-Thru Pet Gate

The Expandable Walk-Thru Pet Gate is specially designed to use at the top of a stairway or hallway opening. The Gate confines your pet safely using an upper and lower locking system. It does not have a bottom frame, so walking through the gate on the stairway is easy and safe.

- 94182 Coffee Bean**
Item size: 31.5-47.2 x 2 x 32.3"
Item weight: 9 lbs.
For dogs 17.6 - 44 lbs.

No threshold to step over.

Convertible Indoor/Outdoor Pet Playpen

Richell's Convertible Indoor/Outdoor Pet Playpen is made of durable plastic that can be used inside and outside. You can use as a pen, gate, or room divider to keep your pets contained or out of certain areas. It can be placed outdoors as a playpen so your pet can join in on outside activities! A self-locking door also provides quick and easy access to you and your pet. No tools required for assembly! Choose from 4 and 6 Panel.

6-Panel

- 94192 Soft Tan/Mocha**
Item size: (Playpen) 63.8 x 33.1 x 36"

Elegant Wooden Pet Toy Box

Pets love to play, and pets love to leave their favorite toys strewn all over the house. Without a pet trained to pick up their toys after play and put them where they belong, an attractive solution is needed to allow easy access to toys, while holding them securely in one place. The Elegant Wooden Pet Toy Box, with its open design, smooth and stylish lines, exquisitely stained wood, and slip resistant rubber feet, looks great with any décor and allows for wonderful storage of toys and leashes.

Pet Training Kennel

This high-quality training kennel is perfect for puppies and small dogs. It includes a locking system on the door, top, base and casters. The top has a double door for easy pet access. The plastic base detaches easily for cleaning, and casters provide movement from room to room. It's perfect for potty training for your puppies, and afterward serves as a perfect indoor pet home. Push-in slots on base hold PAW TRAX Doggy Pads securely. Choose from two sizes.
